

**Report of the Personnel Committee
November 17, 2017**

Greetings from the Personnel Committee!

This month on 10/24, we met as a committee at Westminster, West Hartford, for our yearly staff check-ins. All five of us were present for Shannan's time, and then each staff member met with me (Jenny, as chair), Shannan (as head of staff), and the liaison assigned to each. It was an extremely productive afternoon. And I am grateful for everyone's flexibility and willingness to share concerns and dream a little about next year.

We are so blessed with the incredible work our staff offers us as a community. Thanks to Shannan, Pam, Dayle, and our new stated clerk, David Baer, for the labor and leadership they so faithfully provide.

Respectfully,
Jenny Davis, Chair
